The 1955 Key

Published by the Senior Class

Foreword

May this, our Key, serve as a reminder of all the good times we've had, the things we've learned, and the friends we've made. May it be a key to the past as we tread the unknown paths of the future. We hope the readers will derive both benefit and pleasure from our efforts.

The Public Library

Across the street from dear old A. H. S. among many stately trees, stands our public library, where students might dash between classes to obtain the last bit of information, in addition to that which can be obtained in A. H. S. The public library will be remembered by all of us seniors as the beautiful building with the fountain in front, which stood ready to supply any information needed.

New Hendry Park School

This beautiful structure is the pride and joy of Angola. This is the new Hendry Park School! We seniors feel that it is indeed an honor to be the first class to have a picture of this new elementary school building in the Key.

The picture at the lower right was taken on Veterans Day, when all of the students attended the ceremonies and the dedication of the flag pole presented by the American Legion.

Dedication

We, the senior class of 1955, wish to dedicate this our Key, to all the people who have helped us throughout our school years. . .the faculty, whose patience, we have endlessly tried . . .the businessmen, who have always co-operated with us in our projects. . .and, last but most important, to our parents, who have given us so much.

We are fully aware that without the help of all these people our success would not have been possible. We sincerely thank everyone for four unforgettable years.

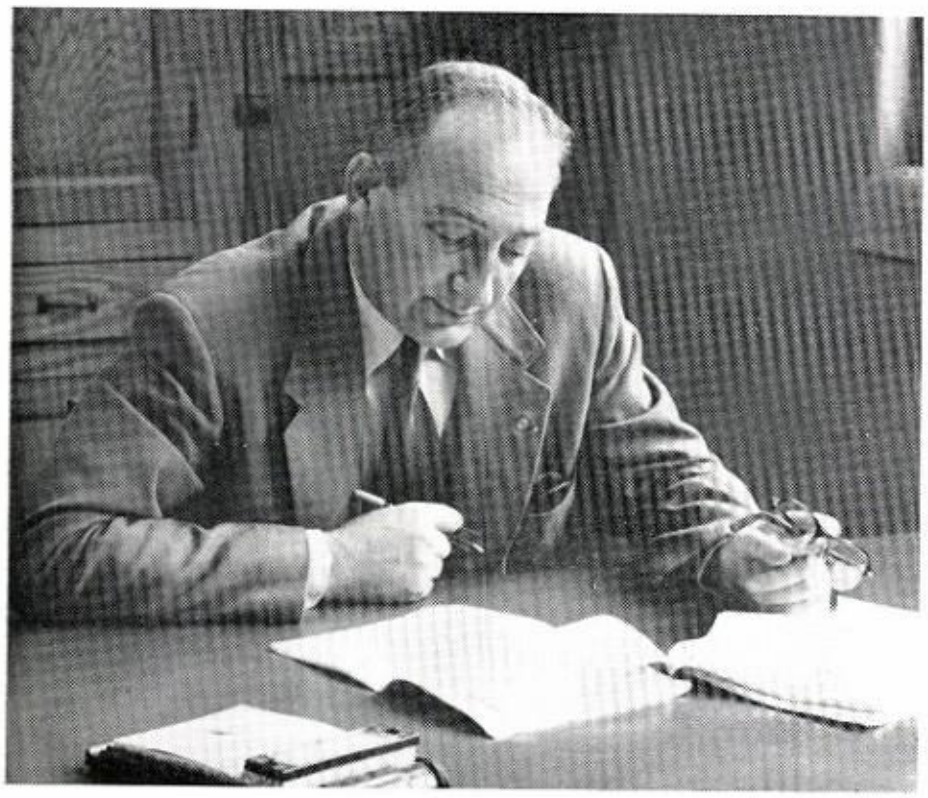
Appreciation

We, the class of 1955, wish to express our appreciation to our present sponsor, Mr. Feldmann, who has guided us through our junior and senior years of high school, and to Mr. Druckamiller, who helped us through our first two years in A. H. S.

Our sincere thanks are given to these two advisers for their enduring patience, understanding, and aid.

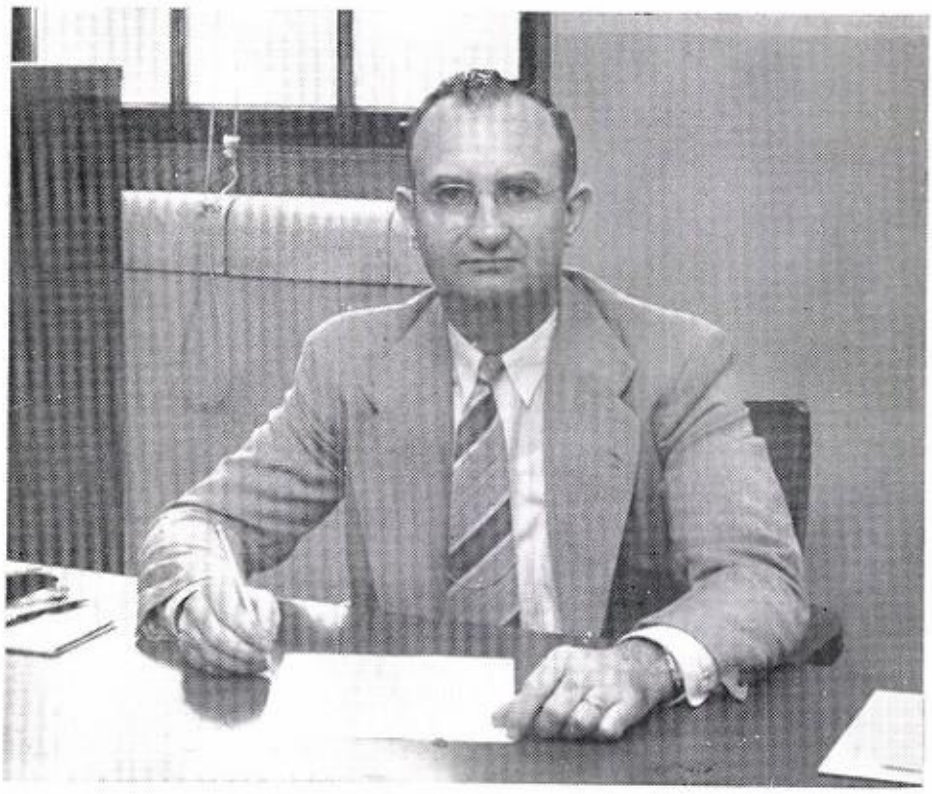
As we, the class of 1955, bid farewell to A. H. S., we extend our best wishes to "Druck" and "Howdie."

Faculty



Our Superintendent

We pause a moment to express our appreciation to our superintendent, Mr. Boomershine, for the help he has always had time to give to anyone who needed it. For the past four years his guidance has aided all of us. We extend our sincere thanks to him.



Our Principal

Mr. McCutchan by his friendliness and fair treatment of all has helped us meet and solve the many problems confronting us during our four years of high school. He was never too busy to lend us a helping hand. He has won the respect of all. We wish to say, "Thank you, Mr. Mac."

Secretaries

"May I have an absence slip, please?" One or the other of our able secretaries has always been willing to supply that absence slip or any other need. Mrs. Kunkel has been with us during our four years in A. H. S. Phyllis Jennings has been here for only one year, but we have already learned to know her.

Board of Education

Esteemed very highly in our city are the members of the board of education. Without these men it would be impossible to operate our school system smoothly. We, the seniors of 1955, wish to extend our sincere thanks to these men who devoted much of their time to our school and for our benefit.

Faculty

GEORGE KUEBLER

Art

"A work of art" can truly describe Mr. Kuebler's drawings and his teaching. We feel very fortunate to have him as our art instructor.

JOHN HAMMEL

Algebra, Trigonometry, Physics, Athletic Coach

After seeing a basketball game coached by our "Ham," you'll know why we have real school spirit. His math students learned a lot too.

GLADYS LEAS

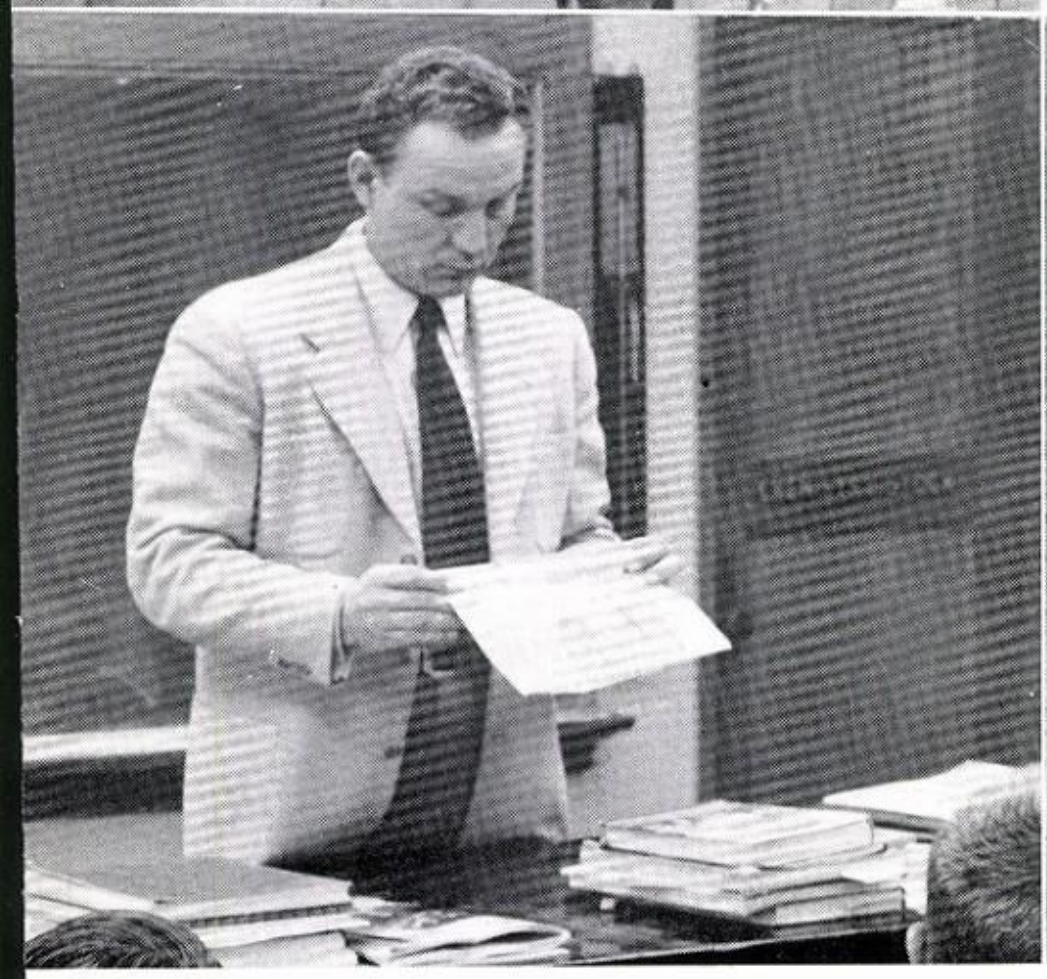
Typing, Shorthand, Bookkeeping, Girls' Physical Education

After we have been under the guidance of Miss Leas, we find doing bookkeeping, typing and shorthand a pleasure instead of a task.

PHYLLIS WALKER

Home Economics

Teaching our girls to be better homemakers was Mrs. Walker's job for the first semester, the time she was with us this year.



NANCY NEWNAM

Librarian, Director of Audio-Visual Program

With Mrs. Newnam's excellent guidance and the card catalogue completed under her direction, we have been able to select books for reports and speeches that often brought us A's!

HOWARD FELDMANN

General Science, Biology, Chemistry

As our guide and sponsor, Mr. Feldmann taught us the difference between H2O and H2S O4 and the art of making money for the class.

EMERY DRUCKAMILLER

Health, History, Director of Athletics

We shall never forget what we learned in Driver's Training class. Mr. Druckamiller had the courage to ride with us during those trying days.

RICHARD CLEMENS

Industrial Arts, Mechanical Drawing

The boys in Mr. Clemens "shop" classes have learned to become excellent craftsmen. Mr. Clemens also directed the Safety Patrol.

Faculty

RUBY SHULTZ

English, Journalism

Misspelled words and incorrect punctuation are Miss Shultz's pet peeves. She aided us in putting out the Hornet and this, our Key.

HARLAN BOND

Instrumental Music

"Music, Maestro, please!" Mr. Bond helped wherever and whenever he was needed in the instrumental music department. Hats off to a very good director!

EUNICE REED

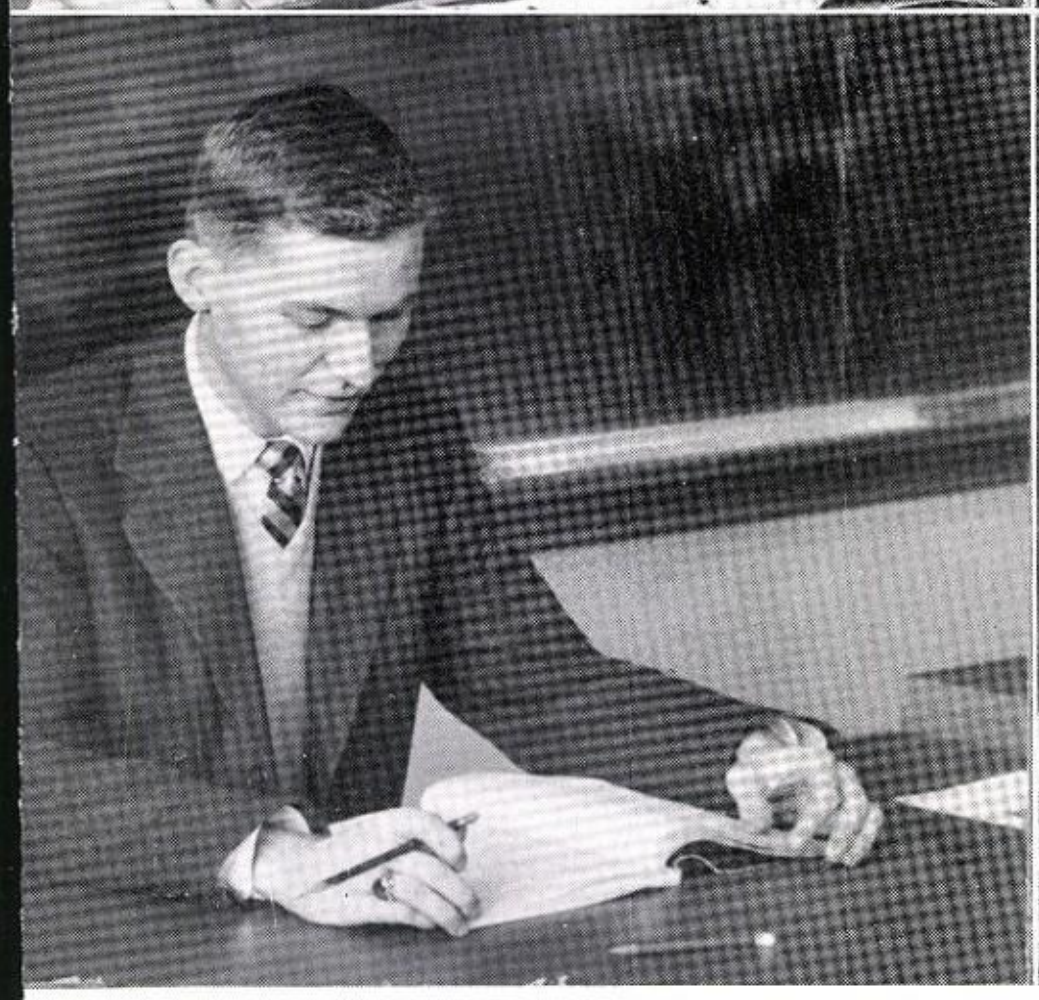
Latin, Spanish

Languages are a relaxation for Miss Reed. She also knows the myths of Greece and Rome and the legends of Spain and Mexico.

A. B. BARKDULL

Shorthand, Typing, Business Mathematics

"Figures don't lie," says Mr. Barkdull in business math. He also pilots students through Typing I and Shorthand II.



NANCY SIEBOLD

Vocal Music

"The Lowland Sea" and "The Grasshopper" will live long in our hearts and memories. And we'll not forget the A. H. S. choir and vcoal ensemble achievements, under Miss Siebold's direction.

CHARLES G. SHARPE

English, Speech, Dramatics

As our English and speech mentor, Mr. Sharpe was great. Thanks to his patient and helpful guidance the senior class play, "The Little Dog Laughed," was a big success. We had a wonderful time producing the three one-act plays, too.

ELWOOD NICHOLS

Instrumental Music

"Give that note two beats!" These words may be heard spoken by our patient and very helpful band director, Mr. Nichols. Much did we learn in music practice.

ARTHUR VAN MATRE

Government, Psychology, History, Physical Education

We seniors shall never forget Mr. Van Matre's enduring patience and helpful suggestions in making our torch light parade and our patriotic and religious programs well worth our efforts.

Faculty

BETH TRENNEPOHL

Home Economics

Under Mrs. Trennepohl's direction the homemakers of tomorrow cooked meals and made clothes. She took Mrs. Walker's place the second semester.

CUSTODIANS

One thousand and one tasks our custodians are asked to do as the days roll by. They check the heat, they sweep the floors, they build stage sets—in fact they do everything!

Dick Forbes works at the Hendry Park School. You see a part of the heating plant in the picture. Ben Weldon, Lester Shelton and Harry Sowle take care of the A. H. S. building, and a mighty good job they do!

Class History

One sunny morning in September, 1943, sixty-three shining faces entered the portals of the Angola School, to occupy its halls for twelve years. Of that original sixty-three, only twenty-three are graduating with the class of 1955. Others have joined their ranks. The original members are as follows:

Phyllis Crain
Donna Crum
Jerry Essenberg
Judy Healy
Phyllis Horn
Marilyn Huff
Phyllis Jarrard
Walter Julien
Clyde Lonsbury
Richard Maxton
Fred Musser
Carlita Porter
Tom Randolph
Doris Raney

In all the glory of "greenies" we entered high school in 1951, with sixty-three members. We were "roughly" initiated and began the first of four of our most wonderful and memorable years.

As sophomores we initiated the freshmen. We were well on our way to becoming the "big wheels" of A. H. S. We had lost our sponsor, Mr. Druckamiller, who did a wonderful job of guiding us our first two years.

When our junior year came, we were at last established. Our Junior play, "The Bishop's Mantel," was a huge success. We received a plaque for excelling all previous records in magazine subscription sales. Our Junior-Senior banquet was a never to be forgotten affaiir. The theme was "Mardi-Gras." Mr. Feldmann became our sponsor for our last two years.

At last the crowning glory—we were seniors! What a wonderful year! We started out with the senior play, "The Little Dog Laughed." Our Torch Light Parade and patriotic program were a wonderful experience for all of us. We had a marvelous senior trip to New York City. The juniors outdid themselves in giving us a banquet. Then it was time for Baccalaureate and Commencement. We walked across the stage with mixed emotions to receive our diplomas. This was good-bye. We were ready to take our place in the world. We had been well prepared for the future by all of our wonderful teachers, parents and friends. Our memories of A. H. S. will always linger in our minds and hearts.

Seniors — In Third Grade

Those were the days, back in the third grade in Miss Hardy's and Miss Stevens' rooms! Remember the hair ribbons, pig tails, Halloween parades through the school building, Christmas parties, Valentine boxes, and a thousand other interesting and exciting things?

The seniors have traveled nine years on life's highway since those days. Gone are the long curls and the hair bows, but still remain the friendly smiles to greet associates whom we meet. May those smiles always remain as we travel the part of life's highway that involves college or finding our places in the busy work-a-day world!

Plans for "The Key" are made

Key Staff

"The Spectator" was the first yearbook published in A. H. S. in 1905. The name was changed to "The Key" in 1919. By 1934 the annual had become very much like the present day issues.

Each year, however, new things are added and some of the former features are discarded. The former issues have given the future members of the yearbook staffs something to live up to.

The members of the 1955 staff are:

Journalists at work

Hornet History

The "Hornet" contains all the latest news, personals, jokes, gossip, and features. It is sold for ten cents per copy, and contains about thirty-six pages. This year the circulation has increased to over three hundred.

The Angola school paper was started in 1918 and given the name "The Key," the same as the yearbook. In 1934 the name was changed to "The Spectator" and again in 1935 to "The Hornet." The present name was chosen from those entered in a contest. It was suggested by Mr. Druckamiller.

The 1955 journalism class consists of sixteen seniors and two juniors. Nancy Wyatt was Editor-in-Chief and Donna Crum, assistant Editor. Bea Burnett held the position of Business Manager; Bob Kelly, Art Editor; and Carolyn Goudy, Exchange Editor. The other members of the staff did both straight news and feature work.

In 1949 "The Hornet" staff was admitted to membership in the Quill and Scroll, the International Honorary Society for High School Journalists. Since that time each staff has maintained the same high quality of work. Miss Shultz was the publications supervisor.

A Cabinet Meeting in Progress

Y-Teens

The Y-Teen club was originally called the Girl Reserves and was organized in Angola in 1927. The Angola chapter is a member of the state and national organizations and is a branch of the Y. W. C. A. Our ideals are well stated in our slogan, "To find and give the best is our purpose true, earnest, honest, and our slogan—to face life squarely too."

We met every other Monday after school in the Study Hall. Any girl who had attained the rank of sophomore was eligible to join.

A wonderful Y-Teen year was enjoyed by all members. We held a sock hop which was a huge success. In November we gave money toward World Fellowship. On December 18 we sponsored the annual Christmas Prom, "Silver Bells," in conjunction with the Hi-Y. The school elected Pete Dick as "King Kris" to reign over the dance. In February many of us attended the annual conference in South Bend. We sent a friendship scarf to Liberia. We also held a slumber party and come-as-you-are breakfast which everyone enjoyed very much. In April the Pa-Ma-Me Banquet was given by the Y-Teens and the Hi-Y.

The officers for the year were: President, Judy Healy; vice president and membership chairman, Kay Smalley; secretary, Bea Burnett; treasurer and pianist, Pat Scott; program chairman, Phid Jarrard; social chairman, Lynda Miller; service chairman, Phid Crain; finance chairman, Marilyn Huff; song leader, Donna Crum; chaplain, Nancy Wyatt.

The adult advisers were Mrs. Boomershine, Mrs. Jarrard, Mrs. Crain, Mrs. Wood, Miss Myers, Miss Reed, Miss Shultz, Mrs. Newnam, Mrs. Stevens and our chief adviser, Miss Frank.

Hi-Y

The Angola Hi-Y Club, organized in 1922 by former Superintendent John L. Estrich was the first in the state of Indiana. The club is a member of both the state and national organizations.

The purpose of the club is—"To create, maintain and extend throughout the school, home and community a higher standard of Christian character." To fulfill this purpose the club participated in the following activities during the year: Sent officers to both the fall and spring district Hi-Y conventions, sponsored several charity projects, and held a joint father-son, mother-daughter banquet with the Y-Teens. The club sponsored an auditorium program at Thanksgiving and also sponsored, jointly with the Y-Teens, the Christmas Prom, "Silver Bells."

The club meets every other Monday afternoon at 3:30. The meetings were called to order by the president, and the Lord's Prayer was given in unison. The programs featured outside speakers, panels, films and discussions of general interest to the members.

The officers were: President, Lorin Krueger; vice president, Fred Philipp; secretary, Paul DeRosa; treasurer, Jim Swift; chaplain, Fred Musser.

The sponsor is Mr. Kuebler.

Future Plans Being Made

National Honor Society

One of the highest distinctions to be given to seniors of Angola High School is to be selected for membership in the National Honor Society.

Fifteen per cent of the class are eligible. They are chosen from the upper third of the class, ranked according to scholastic records, and chosen by the faculty on the basis of citizenship, service to the school, and character.

Those who received the honor this year were Judy Healy, Marilyn Huff, Phyllis Jarrard, Lorin Krueger, Lynda Miller, and Patricia Scott.

The officers of the 1955 group are: President, Lorin Krueger; vice president, Judy Healy; and secretary, Phyllis Jarrard. Mr. McCutchan is the treasurer.

The local chapter of the National Honor Society was established in 1935 and the total membership is now 245.

A scholastic fund was set up in 1938. Each member contributes one dollar to the fund each year for the first five years he is a member. The money is used in the form of a loan to help send a graduate of Angola High School to college.

Student Council

The Student Council was organized in 1932 to promote co-operation between students and faculty, provide opportunities for student self-direction, foster all worthy school activities, and create and maintain high standards for citizenship.

This organization has sponsored and participated in many activities this year. These include: Sponsoring a sock dance, "Icicle Idiocy;" selling basketball season tickets, sponsoring the selection of cheerleaders, striving to improve pep sessions, organizing cheering blocs at the games, expending effort to arouse greater school spirit, lighting the trophy case, taking up the collection for the March of Dimes at two basketball games, working on school problems in general, and sponsoring the May Dance.

The group consists of four members, two girls and two boys, from each high school class and one from each of the seventh and eighth grade rooms. Meetings are held twice a month.

This year the members were: Seniors—Charles Rose, Jim Swift, Donna Crum, Janet Umbaugh; Juniors—John Maloy, Pete Dick, Katy MacFadyen, Nancy German; Sophomores—Jon Holtzman, Bill Sheets, Janice Laird, Margaret Field; Freshmen—Gary Griffith, Roger Wilson, June Priest, Janet Deming; Eighth Grade—Tony Holtzman, Connie Gary; Seventh Grade—Thomas Flegal, Patty Lash.

The officers were: President, Pete Dick; vice president, John Maloy; secretary-treasurer, Katy MacFadyen; and reporter, Donna Crum.

Weighty Problems Discussed

School Safety Patrol

The School Safety Patrol has 53 members with William Harter as Captain and Elizabeth Owens and Bob Lowther as Lieutenants.

This is the eighth consecutive year the Safety Patrol has been active since its reorganization at the Angola School.

The purpose of the Patrol is to protect the school children in crossing U. S. 27 in front of school, at Prospect Street and at Felicity Street.

Girls, as well as boys, are participating in the Patrol program. The schedule is arranged so that no one has to miss a class recitation.

The year 1954 marks the eighth one an Angola Patrol has received the Safety Award presented by the Chicago Motor Club for a perfect safety record.

This year members of the patrol were equipped with new all-white raincoats and helmets, which were purchased for them by the Angola Lions Club.

Richard Clemens is the patrol supervisor.

Future Teachers of America

America's future rests with her teachers. The ever increasing demand for more teachers has created a need in our high schools for a club like this to encourage young people to pursue the teaching profession. Our local chapter was organized in 1949 with Floyd McCutchan as its first adviser. The group was named the "John L. Estrich Club" in honor of the former superintendent of the Angola schools.

During the year the members hold meetings on alternate Wednesdays, give a tea for the faculty, take part in student teaching, sponsor dances, and have charge of an auditorium program. This year they visited Purdue University on their annual campus tour. They presented a program for the Auburn F. T. A. and also appeared before the Delta Kappa Gamma Society.

Officers for the year were: President, Phid Jarrard; vice president, Cindy Willis; secretary-treasurer, Lynda Miller; and acting secretary-treasurer, Nancy Stevens. Mrs. Gladys Kile is the club's faculty adviser.

F. T. A. Plans Program

"The Little Dog Laughed"

"The Little Dog Laughed," a comedy in three acts, was presented by the senior class on Thursday and Friday nights, October 14 and 15.

The story dealt with the lives of the Huntingtons whose daughter, Laurie, the college sophomore, starts to "psychologize" them logically, unmercifully, and with complete unconcern for ordinary human feelings. Members of the family are seen wandering around with thermometers in their mouths to find their "Energy Peaks." Later the family turned on Laurie with devastating results.

The cast included: Lynda Miller, Laurie, the college sophomore; Lorin Krueger, Sid Huntington, Laurie's touchy, forceful father; Pat Scott, Mrs. Huntington, her gracious but somewhat strained mother; Chuck Southern, Wally, an easy going high school junior; Phyllis Horn, "Gus," fussy house woman; July Healy, Joan Wood, who has eyes for Wally; Jerry Essenberg, Ted Wood, Sid's business rival; Kay Smalley, Lillian, his wife; Charles Rose, Mark Bradford, a quiet fellow who finally takes Laurie in hand; Fred Musser, Horatio Honeywell; Carlita Porter, Amelia; Doris Raney, Caroline; Janet Umbaugh, Grace; Phid Crain, Walola; Bea Burnett, Therese; Jim Swift, a newsboy; Clyde Lonsbury, man with a dog; and Beverly Sams, a woman passer-by.

The play was under the direction of Charles G. Sharpe.

"Ghost Wanted"

"Ghost Wanted," a mystery-comedy in three acts, was presented by the junior class on March 17 and 18 under the direction of Charles G. Sharpe.

The action took place in a lonely house on Ramshead Rock, off the coast of Maine. Granny Kate took a sudden interest in zombies and to cure her of this belief, her granddaughters put an ad in the paper—"Ghost Wanted." Hugo and Jeff got the job. Hugo, dressed in his best ghost gear, was ready to run, however, at the first scream.

The underground passages of the house had an interesting and surprising contribution to make to the solution of the mystery. Hair-raising incidents sent chills up and down the spine.

In the end it was discovered that Granny knew all the time that Professor and Madame Zolga, supposed voodoo artists, were really government agents and she was working with them.

The cast included: Hugo Bromley, a young man out of a job who finds himself in the ghost business, John Maloy; Jeffrey Hall, his friend and general manager, Ned Fifer; Troddy, maid and cook for the Stormgay household, Jane Brokaw; Ginger Stormgay, a pretty girl in her late teens, Joan Ulmer; Gale Stormgay, Ginger's sister, a little older, Nancy Gleason; Hatcher, the Stormgays' house man, Dick Gecowets; Granny Kate, the girls' energetic and capable grandmother, Sally Snow; Professor de Vallan, an authority on voodoo and zombies, Carl Unger; Madame Zolga, his strange assistant, Cynthia Willis; Azalea, a lobster woman from the nearby village, Janie Hamma; Nora Vane, a woman with a nose for investigation, Katy MacFadyen; Mr. Bradshaw, the sheriff, Ronnie Steenerson; the monster, pantomimed by Don Wise.

Thespian Society

The local chapter of the National Thespian Society was organized in A. H. S. in 1952 by nine students. The Society now has twenty-two members. It replaces Alpha Delta Chi, the former high school dramatics club.

The Thespians produced "An Evening of One-Act Plays" under student direction on January 25. These plays were "Three on a Bench," directed by Chuck Southern; "Thirty Minutes in a Street," directed by Phid Jarrard; and "Happy Journey," directed by Lynda Miller.

To the Muncie Conference were taken two plays, "Happy Journey," a comedy, and "Aria Da Capo," a platform reading play. Both plays won in their divisions and three awards were brought home by individual students. Paul DeRosa was best platform reader; Jean Crain, best actress of the day; and Judy Healy, best actress in the humorous division.

The officers of the club were: President, Chuck Southern; vice president, Lorin Krueger; secretary, Sally Snow; treasurer, Cynthia Willis. Charles G. Sharpe was the club's sponsor.

Girls' Athletic Association

The Girls' Athletic Association is an active group in our school this year. This organization is for all high school girls interested in athletics.

The purpose is to increase the girls' interest in various sports and to develop friendship, better sportsmanship, and co-operation.

Every Friday afternoon from 3:30 to 4:45 the girls participate in sports such as basketball, volley ball and soft ball.

This year's officers were: President, Bea Burnett; vice president, Mary Lou Miller; secretary, Lucinda Newnam; and treasurer, Cynthia Willis. The adviser was Miss Gladys Leas.

MEMBERS: Mary Nelson, Bea Burnett, Phid Jarrard, Cynthia Willis, Lu Ann Eff, Margaret Williamson, Margaret Field, Judy Fair, Bonnie Gary, Miss Leas, adviser.

Concert Band

One of the most important and one of the most active organizations in the music department is the Angola Concert Band. Mr. Nichols is the director.

During the spring of 1954, the Concert Band participated in the District Contest held in Angola and also in the State Contest at Knox, Indiana. The band received a superior rating in Angola and an excellent rating at Knox.

The band played several concerts during the school year, among which was a concert in the Scottish Rite Auditorium in Fort Wayne, for the opening day of the Northern Indiana Teachers' Association. During the summer of 1954 the band was kept busy with the outdoor summer concerts. Another activity of the band was its playing for the home basketball games. The group played two concerts on a day's tour, one at Hamilton High School and one at New Haven.

The band won first place in the district contest at Columbia City and entered state competition at Whiting in the spring of 1955.

Orchestra

As one passes the auditorium on any Tuesday or Thursday evening after school, he can hear the music of the orchestra. This is the sixth year for this organization in A. H. S. The group played for such occasions as the Senior Play, the Three-One-Act Plays, and the Junior Play.

They also participated in the Northern Indiana State Band, Orchestra, Vocal Association Contest held at Columbia City, on April 2, and won first place. Angola had the distinction of being the only school with an enrollment between 150 and 250 students that had an orchestra participating in the contest. This group entered state competition at Whiting on April 16.

The orchestra has been under the joint direction of Mr. Nichols and Mr. Bond.

Instrumental Ensembles

Ensembles and soloists from the instrumental department performed many times this year for various audiences, among which were the Rotary Club, Moose, and Lions Club. Soloists and ensembles were featured in the February concert of the band and choir. Many of these participated in the District and State Solo and Ensemble Contests.

The various ensembles included the brass, woodwind and reed instruments. String ensembles were also included.

These groups rated very well in the contests this year. They have given us good reason to be proud of them.

Marching Band

The Marching Band participated in several events this year. The most important of these was the first Annual Band Day held at Purdue on October 9, when eighty-three bands appeared on the field. Our band also marched at three ball games. These were the Concordia game, the Salem game at which the band put on their Christmas show, and the Fremont game.

The drum major is Lorin Krueger; the twirlers are Joanne Ulmer and Norma Law.

The band is under the direction of Mr. Nichols.

High School Choir

Another important organization in the music department is the High School Choir, under the direction of Miss Nancy Siebold.

The band and vocal concert in February was opened with the singing voices of this organization. Other events on the agenda of the choir included singing for the Tri-State Baccalaureate and Christmas caroling before Christmas vacation.

The choir participated in the District and State Contests in 1954 along with the band and received superior ratings in both events.

This vocal group won a superior rating at the District Northern Indiana Band, Orchestra and Vocal contest at Columbia City on April 2, 1955, and entered state competition at Whiting on April 16.

Boys' Glee Club

The Boys' Glee Club this year had a membership of twenty-five. Rehearsals were held every Monday evening. Mr. Nichols was the director. We are happy to have this singing group as a part of the music department.

Vocal Ensembles

Another group of ensembles was made up of vocalists of Angola High School. These ensembles performed for school programs and also for outside organizations.

A few of these ensembles included the Girls' Barbershop Quartet, the Boys' Barbershop Quartet, Junior Sextet and Freshman Ensemble. These groups participated in the District and State Contests this year and rated very well. We can be proud of their good work.

AN OUTSTANDING SENIOR MUSICIAN

Music is the universal language of mankind. The music department of Angola High School lends a great moral and spiritual atmosphere to the student body of our school. Some of our students spend many hours a day making this possible.

Pat Scott, a member of this year's graduation class, has given generously of her time and talent to help make our music department what it is today. She has been an outstanding member of the senior band for seven years. This in itself is not unique, but the extra things which Pat has done are not the usual occurrence. She has given much of her time to helping other students, especially this year when she did an excellent job of accompanying several solo and ensemble groups at the contests and concerts.

Pat is also an accomplished pianist and solo clarinetist. She is a true musician, and the sincere thanks of the Angola High School music department go to you, Pat Scott.

Student Librarians

The student librarians are kept very busy during a school year. Whenever any student wants a book or magazine, the librarians are always willing to help him find it.

When the librarians are not locating material for other students, they are taking care of the books and keeping the files in order.

We all want to take time out and say, "Thanks, librarians, you have done a fine job throughout the year."

Film Projector Operators

"Do we have a movie today? Will it explain this process? Will we have a chance to see it twice?" These questions and many others are asked by the students in connection with our audio-visual program. This work could not be carried on without the help of our faithful film projector operators. They showed films in the high school and both grade schools. Four projectors, three portable and one stationed in the auditorium, have been in use this year. Twelve or more films were shown each week throughout the school.

Driver Training In A. H. S.

The students in the driver training classes in A. H. S. are given eleven weeks' training behind the wheel on the country roads and the last few lessons on the main highways. The twelfth week is spent in the class room answering three hundred questions asked by the American Automobile Association on the rules of the road.

A '55 dual control Chevrolet car was provided for the use of the driver's training students this year by the Maxton Chevrolet Sales of Angola.

OUR BUS DRIVERS

Our faithful bus drivers could be called the men behind the scenes and often they don't get all the credit that is their due. They must drive the school busses in all kinds of weather and over all kinds of roads. Theirs is a job of great responsibility. And each one of them is the friend of every pupil who rides on his bus!

The drivers this year were Loren Dixon, Morris Lehman, Kenneth German, Duane Rose, Fordyce Johnson and Earl Butz.

Season In Review

The Hornets closed this season's regular playing schedule with 7 wins and 11 losses—plus a win in the Holiday Tourney at Fremont, and three wins in the Sectional. All of the games were played hard, and the margins were not great between the scores.

Their first ball game of the season was a great loss, although it was won. One of the two senior boys, Charles Rose, was injured in the first quarter. It was later found that he wouldn't be able to play the rest of the season. As stated Angola won that first game with Waterloo 52-49.

A losing streak then fell upon the Hornets as they lost the next five games to their opponents—Concordia 59-45; LaGrange 59-41; Edon 62-59; Butler 70-50; and Avilla 76-61.

There were two more games to be played before the Holiday Tourney at Fremont. Angola won both by scores running Angola 70-South Whitley 63 and Angola 67-Salem 63.

In the Holiday Tourney the Hornets defeated Fremont 68-65. The Hornets went on to play Garrett in the finals, but lost to them 50-45.

The Hornets' next game was with Hillsdale. In this game Angola racked up a score of 109 to Hillsdale's 40. This was Angola's highest score in a number of years.

Then as before their luck changed and the Hornets suffered five more losses. They went down before Montpelier 65-63, Auburn 65-54, Garrett 63-55, Berne 50-36 and Fremont 72-61.

The Hornets then traveled to Decatur where they won a ball game to the tune of 61-60. That same week-end, they bowed to Manchester Central 59-60. The last two games were wins. The Hornets dropped Elmhurst 74-57 and in the Kendallville thriller Angola defeated the Comets 63-57. This was the first time in 19 years that the Hornets defeated a Kendallville squad.

In the Sectional the Hornets downed Waterloo 63-41 in the first game. In the scheduled season game with Waterloo we won by only 3 points. Metz, our next opponents in the Sectional, were defeated by the Hornets 56-52. In the third game the Hornets nosed out the Garrett Railroaders 56-55. This was the first time the Hornets have worked their way to the finals in six years. In the final game of the Sectional, with Tom Randolph scoring 28 points, the Hornets still could not get by Auburn. They lost to the Red Devils 65-57.

Tom Randolph received the honor of being named on the all-star team of the Auburn Sectional.

TOP ROW: Dick Gecowets, Gail Brauchla, Tom Randolph, Dave Mendenhall, Ronnie Steenerson.
SECOND ROW: Gary Forbes, Mike Erickson, Tim Culver, Don Waite, Charlie Rose.

OUR CHEERLEADERS

Meet our cheerleaders, Joanne Ulmer, Marge McEntarfer, Dee Deller and Maggie Field! These cheerful lasses are responsible for keeping the school spirit roused at every basketball game. We might add they did an outstanding job.

COACHES AND DIRECTOR

John Hammel, our coach, and Art Van Matre, assistant coach, are the ones who helped make our Hornets and Bees the best squads around. We couldn't have games without "Druck" who arranges the schedule and does a hundred and one other jobs.

STUDENT MANAGER

We seniors are proud to claim Jerry Essenberg as one of our class. Great was the effort expended by Jerry as student manager of our team.

Angola Bees

The Angola Bees racked up nine wins as compared to nine losses in the regular season's play.

The games the second team has won and the scores are: Angola 33, Waterloo 29; Angola 46, Edon 13; Angola 43, LaGrange 31; Angola 59, Salem Center 40; Angola 35, Hillsdale 26; Angola 44, Montpelier 24; Angola 40, Manchester 29; Angola 33, Elmhurst 31; Angola 35, Kendallville 28.

The losses included: Butler 54, Angola 36; Concordia 30, Angola 19; Avilla 51, Angola 36; South Whitley 37, Angola 28; Garrett 49, Angola 27; Auburn 43, Angola 14; Berne 37, Angola 27; Fremont 46, Angola 26; Decatur 40, Angola 32.

We shall look forward to seeing all these players in action next year.

Baseball

The baseball team had a very good season, winning six games and losing only one. Angola won the first three games, beating Waterloo 11-4, Butler 7-0, Ashley 16-4, and then losing to Riverdale 5-1. The next game was with Waterloo and the Hornets came through winning 9-0. Riverdale forfeited the next game, so Angola and Butler were tied in first place. Unfortunately the playoffs for the trophy were not held because of bad weather and the starting of the basketball season.

CROSS COUNTRY TEAM

BACK ROW: Billy Stonecipher, Student Manager; Coach Van Matre, Phil Rorick, Jack Miller, Don Wise, Maurice Barlett, Charles Rose, Dick Gecowets.

FRONT ROW: Roger Wilson, Ronnie Wuest, Jerry Fast, Tom Priest, Ray Brown, Jim Albright, Keith Beechy.

Cross Country

The cross country team was tops in their trade last fall, as they were undefeated in their five scheduled meets. They defeated Kendallville, Orland, Metz, Ashley, Avilla, Rome City, Wolf Lake, Howe Military, Fremont, Topeka and Riverdale.

The team traveled to Fort Wayne to win over South Side and other large schools in qualifying for state competition. Angola received third in the sectional at Fort Wayne. They went to Indianapolis to find stiffer competition in the state meet.

Art Van Matre was their coach.

Team members who went to the state were Don Wise, Dick Gecowets, Maurice Barlett, Keith Beechy, Tom Priest, Ronnie Wuest and Jim Albright.

Track

The Hornet track team had a very good season last spring. The 880 yard relay team received fourth place at the Kokomo Relays. The team won other numerous awards throughout the season. Art Van Matre was the coach and Bob Andrew and John Maloy were the student managers.

The meets in which Angola participated were those with Hamilton, Auburn, Metz, Butler, Waterloo, Scott, Salem and Fremont.

FRONT ROW: Connie Gary, Reggie Parrish, Gordie Van Mater, Howard Crum, Dave Dygert, Tom Philipp, Bonnie Page.

Team-work, team-spirit, an attitude of good sportsmanship combined with all-around ability produced a winning season for the eighth grade team this year. Running up an eight game winning streak the Junior High Hornets first tasted defeat at the hands of Auburn, came back to win against Kendallville, faltered and lost to Garrett, surged from behind to defeat Fremont and fell before the tall boys of Hillsdale. The regular season ended with a record of ten wins and three defeats; however the team traveled to the Garrett Invitational Tourney and by defeating Garrett and Auburn came home with the championship. Gary Chapman was selected as honorary captain by his teammates. A most valuable player was not selected as each boy on the team was of value throughout the season.

Class Prophecy

Ah, here it is, the year 1960, and the class of "55" is having its first reunion at the famed Waldorf Astoria Hotel in New York City. The hotel is now under the management of Nancy Wyatt. As we enter we hear the sweet music of a marimba coming from the Blue Room, with no-other than Shirley Henley playing.

As we look around, we recognize many familiar faces. There is Jim Babcock, who now owns a chain of modern motels all over the United States, talking with the famed wrestler, Jack Binkley. Ronnie Sutton, who represented the U. S. in the Olympics last year, just came in with Richard Maxton, now associated with the Chevrolet division of General Motors, Ken Short, the manager of the Indianapolis Speedway, and Dick Seeman, who now owns a large car agency.

There is a lot of noise coming from outside the Blue room. Shall we take a look and see who's there? Why the newcomers are none other than Phid Horn, who now teaches English in Brazil, Tom Randolph, the Zollner Pistons' star basketball player, and Chuck Southern, who owns the largest boat livery in Indiana. They just flew in on T. W. A.'s new jet airliner on which Phid Crain is hostess.

Oh, look who are coming up the walk! Marilyn Huff and Beverly Sams, who are partners in the drug store business, with Clyde Lonsbury, the owner of all the A & P stores in the U. S., and Bob Kelly, the famed artist, following right behind!

Well, look who just drove up in a big limousine! They are none other than Judy Healy, the great Broadway actress, and Fred Musser, who, by the way, has just signed a contract to star in another great Metro-Goldwyn-Mayer movie.

Here comes Doris Raney, the head of the greatest modeling school in the U. S., and with her are Margo Brannan, the famous fashion designer; her model, Carlita Porter; and Bea Burnett, who designs and models hats.

Class Prophecy

Watch out! Here they come! They're the inventors of the fastest hot rod in the world, John Adams and Walter Julien, followed by the great motorcycle dare devil, John Elston.

We see that Jim Swift and Phid Jarrard just couldn't bear to leave old A. H. S., for they are now serving on the faculty. Jim gives trombone lessons and Phid teaches physical education. With them is Mr. Feldmann, our class sponsor.

Here come Carolyn Goudy, who raises horses on her 500 acre ranch in Texas, and Donna Book, who is busy training them. Charlene McNett, the chief operator of the General Telephone Company, is following close behind.

Well, look over there! How did they sneak in the door without our seeing them? They're William Harter, owner of the biggest dairy farm in the world; Jerry Richmond, who is vice president of the Armour Packing Company; and John Wilcox, president of the National F. F. A. Club of America.

Why, there are Donna Crum, a registered nurse, and Jerry Essenberg, who works with the F. B. I., talking with Charles Rose. He must be telling them about his famous book, "How to Prevent Broken Legs."

He didn't hold their attention long enough because they're running to greet Lynda Miller, who is the secretary to the President of the U. S., and Lorin Krueger, head of West Point Military Academy, with Kay Smalley, the owner of the famous Barlett Fashion Shoppe on 5th Avenue here in New York, and Janet Umbaugh, the famous hair stylist.

Well, we do believe we are all here now so let's all go back into the Blue Room where Pat Scott, a very famous pianist, is going to play for us.

Seniors' Farewell

At last comes the time for the class of "55" to say farewell to A. H. S. Dear are the memories of the friends we have had these past four years. But this is not the end of the road, for we shall strive for success after we leave the halls of A. H. S. Our yearbook, "The Key," will be the key to the past and an inspiration for the future.

It is with one last look at the halls of A. H. S., that we leave the realm of high school days and begin to walk down the sunny path of the future.

It is with heavy hearts we bid our last farewell to you, dear A. H. S., and we say thanks . . . . . thanks for everything.
